

LYMINGTON CC Colts Presentation Evening
7.30pm Friday 15th October 2004

Laurence Prittupaul the Hampshire Cricket all-rounder will be presenting the awards at the Annual Colts presentation evening to be held at The Masonic Hall, Lymington on Friday 15th October at 7.30pm.

All colts and parents are invited to this event when awards will be presented to certain players. Colts Manager Tony Wharton who will be in hospital having a new hip fitted stated that although the teams were not as successful as in previous seasons there had been some good performances by individuals. Promising Lloyd Scott had played for Hampshire Under 15's and had also played successfully in the club's 2nd XI his bowling and especially his batting improving with every match. Other youngsters had played for the 3rd and 4th XI's and put in creditable performances which augers well for the future and if they continue this improvement they will be 1st team players in a few years.

The club are looking for a new manager for the Under 11 A team as Tony Thorp after many successful years has decided to stand down but Mark Gannaway who has done a sterling job with the Under 11B development team has agreed to continue his role with that team. Chris Noble will continue as Under 15 manager and as in 2004 the club will not be running an Under 17 team unless someone volunteers as a manager.

The number of colts attending the Monday and Friday training nights during the last season had increased and the efforts of qualified coaches Mark Gannaway, Adie Hunt, Tony Thorp, Trevor Phillips, Tony Wharton and Chris Noble were greatly appreciated.
